

Soccer Camp France - Play Soccer & Study French in the French Riviera

Youth soccer players are welcome to join the EduKick Team in Cannes, France this July for a three-week soccer and French language immersion summer camp. The camp is from July 2-21, 2006 and features Hotel lodging, professional soccer training daily, daily French language lessons and full-day cultural excursions to Nice and Monaco.

(PRWEB) February 17, 2006 -- EduKick is very proud to offer "EduKick France" - French Language & Culture Soccer Program hosted in one of the world's most beautiful resort destinations...Cannes, France.

EduKick announces 'EduKick France' in the luxurious city situated in one of most beautiful bays of the Mediterranean coast: Cannes - City of the Stars. Throughout history it has welcomed many of the world's famous people: English Lords, Russian Tsars, Arab Princes and film stars. The world renowned Film Festival of Cannes is held here each year in May. Known as the city of diamonds, Cannes is without question one of the most beautiful jewels of the Riviera. EduKick France players will make friends, train soccer and study French daily in this famous and glamorous city for 20 days!

The city of Cannes is located 30km from the city of Nice and its international airport. EduKick participants will be in the area know as Cannes-La Bocca, which is only 3km from the Cannes city centre and a five minute walk from the beach on the Bay of Cannes. The hotel where the EduKick France participants will be lodging is around the corner from the stadium of professional French club - A.S. Cannes . The A.S. Cannes' complex has both grass and turf pitches and is located directly adjacent to the host hotel.

This July EduKick offers youth soccer players this exceptional language & culture soccer camp in southern France unlike any other. The program is a complete language, culture and soccer experience that is designed to maximize the young person's overall experience in the picturesque French Riviera!

As per French law, additional experienced and licensed soccer coaches train our youth in groups of 10 or more players. These smaller groups provide for very excellent individual soccer training for our EduKick campers. These smaller groups also aid the participants in regard to their French language immersion.
